**Subject:** Addressing Staff Concern

JCHD Managers and Supervisors,

I have had concerns expressed by staff about languages other than English being spoken during the normal course of business when not dealing with non-English speaking clients. For the comfort of employees and to be respectful of others who do not share that language, staff are asked to speak English in the office when not on breaks or personal time.

Please let me know if you have any questions.

Dr. Pearson

Marilyn Pearson, MD  
Health Director  
Johnston County Health Department
